

# Chapter Four: Cocktails

## THE CLASSICS \$17

If you haven't tried these before, you most definitely should. Some of the world's most recognisable cocktails brought to you à la Wolf.

### *Margarita*

Espolon Reposado tequila, Cointreau, fresh lime juice and 100% Blue Weber agave syrup. Served on the rocks with a salt rim.

### *Amaretto Sour*

An offer you won't be able to refuse. Godfather to the sours. Il Padrino is a eclectic mix of Disaronno Amaretto, fresh lemon juice, sugar syrup and white. La dolce vita.

### *Bramble*

Bursting out of London's Soho in the early 1980s, the Bramble is considered one of England's finest exports. A simple mix of gin, lemon and sugar, topped with a splash of berry liqueur; this drink really is the essence of spring.

### *The Southside*

Love the freshness of a Mojito but can't look past your gin? This is the one for you. Bombay Dry Gin, fresh mint, lime juice and sugar syrup. Feeling adventurous? Ask the bartender to throw in some cucumber.

### *Aperol Spritz*

3,2,1 the sun is shining and it's Spritz time. 3 parts Villa Sandi Prosecco, 2 parts Aperol and 1 splash of tonic water, this summery drop of heaven is like a sweet Tuscan breeze. But I have always had with soda!? Shuddd-apa ya face, this is how they do it in old Italia.

### *Mai Tai*

The Mai Tai derives its name from the Tahitian word "Maitai'I" meaning good. A whole lot of rum, a spot of Cointreau, orgeat syrup and fresh lime brought together to deliver a real *good* time.

# Contemporary Cocktails

## CONTEMPORARY \$17

Modern drinks that are quickly becoming classics.

### *Catch 22*

A girl should be two things, classy and fabulous. If this is you then here's your cocktail. A world collaboration of Zubrowka Vodka, Liqueur 43, fresh lime and crisp apple finished with a splash of berry liqueur.

### *The Swanky Swan*

Look no further my beery-eyed friend. The delicate citrus of the Mediterranean runs through this brew, like the sweet hops of Summer. Bacardi Oro Rum, Apricot Brandy liquor, passionfruit pulp, fresh OJ and lime, all topped with WA's very own Swan Draft. You probably haven't tried a beer cocktail before but will be happy you did.

### *Jacquie Brown*

Buffalo Trace Bourbon, maple syrup, Dom Benedictine, Angostura bitters. Soulful, sultry and ready to get down to business.

### *Absinthe In Mind*

Attributed to the loss of Van Gogh's ear, the naughty green stuff has a lot to answer for. We are going to try tame the beast with some Pavan Liqueur, fresh lime and apple. Party juice!

### *Surprise Me*

The exact drink every patron wants when you say;  
"I'm not sure what I want. Something sweet, but not too sweet, a little fruity but also a bit citrusy. Just surprise me."

Surprise.

(Disclaimer: drink is delicious and made with top end products).

# Top Shelf Cocktails

## TOP SHELF COCKTAILS \$20

Time to treat yourself. Let us take you on a tour of our back bar and have a taste of the premium spirits we have on offer.

### *Fluffed Up*

Sprinkle me sweet. This is a delightful mix of Belvedere Vodka, Chambord liqueur, Granny May's secret bubble gum mix, white and cranberry all shaken up. Topped with toasty marshmallows. Think Summer meets s'mores. You'll definitely be left wanting "sum more".

### *Poison Apple*

Scotland only produces Whisky in the premium spirit stakes right? Wrong! Have a wee taste of some of the lands finest Hendricks Gin and strawberry liqueur built on top of a solid foundation of strawberry jam and cloudy apple juice. Too much you say? Not enough! Have a dash of Absinthe on top.

### *Mexico's Ruby*

Qué pasa amigo? Mexico's Ruby is what is happening! One of the countries finest tequilas, Avion Repasado, mixed with Cointreau, agave and fresh lime to give you one hell of a grapefruit Margarita. Andale!

### *Wot's Kraken?*

Like the great sea creature from below, this murky concoction will consume you. Boozy notes of Kraken Rum, caramel and vanilla after tones and complemented by a fresh bite of lime. This rummy bad boy is a modern twist on a bar counter classic. If you like Kraken you will love this!

### *A Gin Lovers Dream*

The spectacular Gin Mare has been matched up with fresh lemon, orgeat, passionfruit and Bacardi Blanco. It is everything you look for in a gin based cocktail: fresh, fruity and exquisite.

*"It was my first time all over again, mysterious, fun and exciting."*
