

WOLF
LANE

Prologue...

We welcome you to Wolf Lane, one of Perth's best kept secrets. The hard part is over since you have already managed to find us. So choose yourself a favourite lounge or armchair, sit back, relax and let yourself disappear into the land of magic, nonsense and imagination.

Our extensive selection of boutique beers, spirits, local and international wines ensures there is always something new for you to sip. Try one of our delectable cocktails, although we do warn you, one is never enough! Or maybe one of our teapots to share if you feel that way inclined. If you simply cannot decide, just ask our team to make you something to suit your chosen flavours and they will happily create your ultimate delight.

Don't be tempted to stick to what you know. We have a fantastic selection of drinks for you to discover, so let our bartenders take your tastebuds on an adventure down the rabbit hole...

Chapter One: Gin Serves

All of our delicious double gin serves are paired with Fever Tree tonic.

TANQUERAY NO.10

19

We compliment this beautiful London dry gin's citrus notes with fresh grapefruit and thyme.

BOMBAY SAPPHIRE

18

This floral, earthy London dry gin is paired with fresh lemon and blackberries creating a wonderfully fresh and flavour packed delight.

GIN MARE

19

A gorgeously herbaceous Mediterranean gin. We serve it with green olives and a fresh sprig of rosemary to highlight its delicious botanicals.

HENDRICKS

18

This beautiful Scottish gin is famously served with fresh cucumber... and who are we to argue? Cucumber and a squeeze of lime match this gin perfectly!

THE BOTANIST

20

An artisanal Scottish gin crafted by the whiskey distillers Bruichladdich featuring 23 locally sourced Islay botanicals. We pair it with strawberries and fresh mint, absolutely delicious.

Feeling peckish? Follow the breadcrumbs to the food menu at the back.

Chapter Two: The Classics

THE MARTINI

20

Our bartenders are here to make sure your martini is perfectly suited to you! The Wolf Lane favourites include a deliciously crisp Belvedere vodka martini served with a twist of lemon or a wonderfully dirty Gin Mare martini paired with three olives.

THE OLD FASHIONED

20

We love Woodford Reserve with a twist of orange, but there are so many possibilities. A smooth Havana 7 dark rum with a dash of chocolate, a smoky Herradura Añejo with agave, or maybe a Bruichladdich whisky with barrel aged bitters? The choice is yours.

THE SOUR

17

Whether you prefer a smooth whisky, a deliciously sweet amaretto or a Peruvian Pisco, we shake it up with fresh lemon, vegan friendly aquafaba and a touch of sugar to serve up this perfectly balanced classic.

THE NEGRONI

17

Campari, sweet vermouth and London dry gin combine perfectly to make this all time favourite.

THE HEMINGWAY DAIQUIRI

17

White rum, maraschino liqueur, grapefruit juice, lime juice and sugar. Crisp and delicious, just how Hemingway used to drink it (sort of).

THE MARGARITA

18

Herradura Plata Tequila, Cointreau, fresh lime and agave shaken and served on the rocks with a half salt rim. Or maybe you're a fan of the Tommy's? Espolon Reposado, fresh lime and agave.

THE MANHATTEN

20

Bulleit Rye, sweet vermouth and Angostura bitters. Served straight up with a Maraschino cherry.

THE CAPRIOSKA

18

Refreshing and simple; vodka, fresh lime and sugar shaken and served on the rocks with a fresh mint sprig. Or swap out the vodka for cachaça and try a Caipiriñha.

THE CORPSE REVIVER NO.2

17

Gin, Lillet Blanc, Cointreau, lemon juice and a spritz of absinthe. A wonderfully balanced drink with a hell of a kick.

Inside Your Head, There Is A Heart

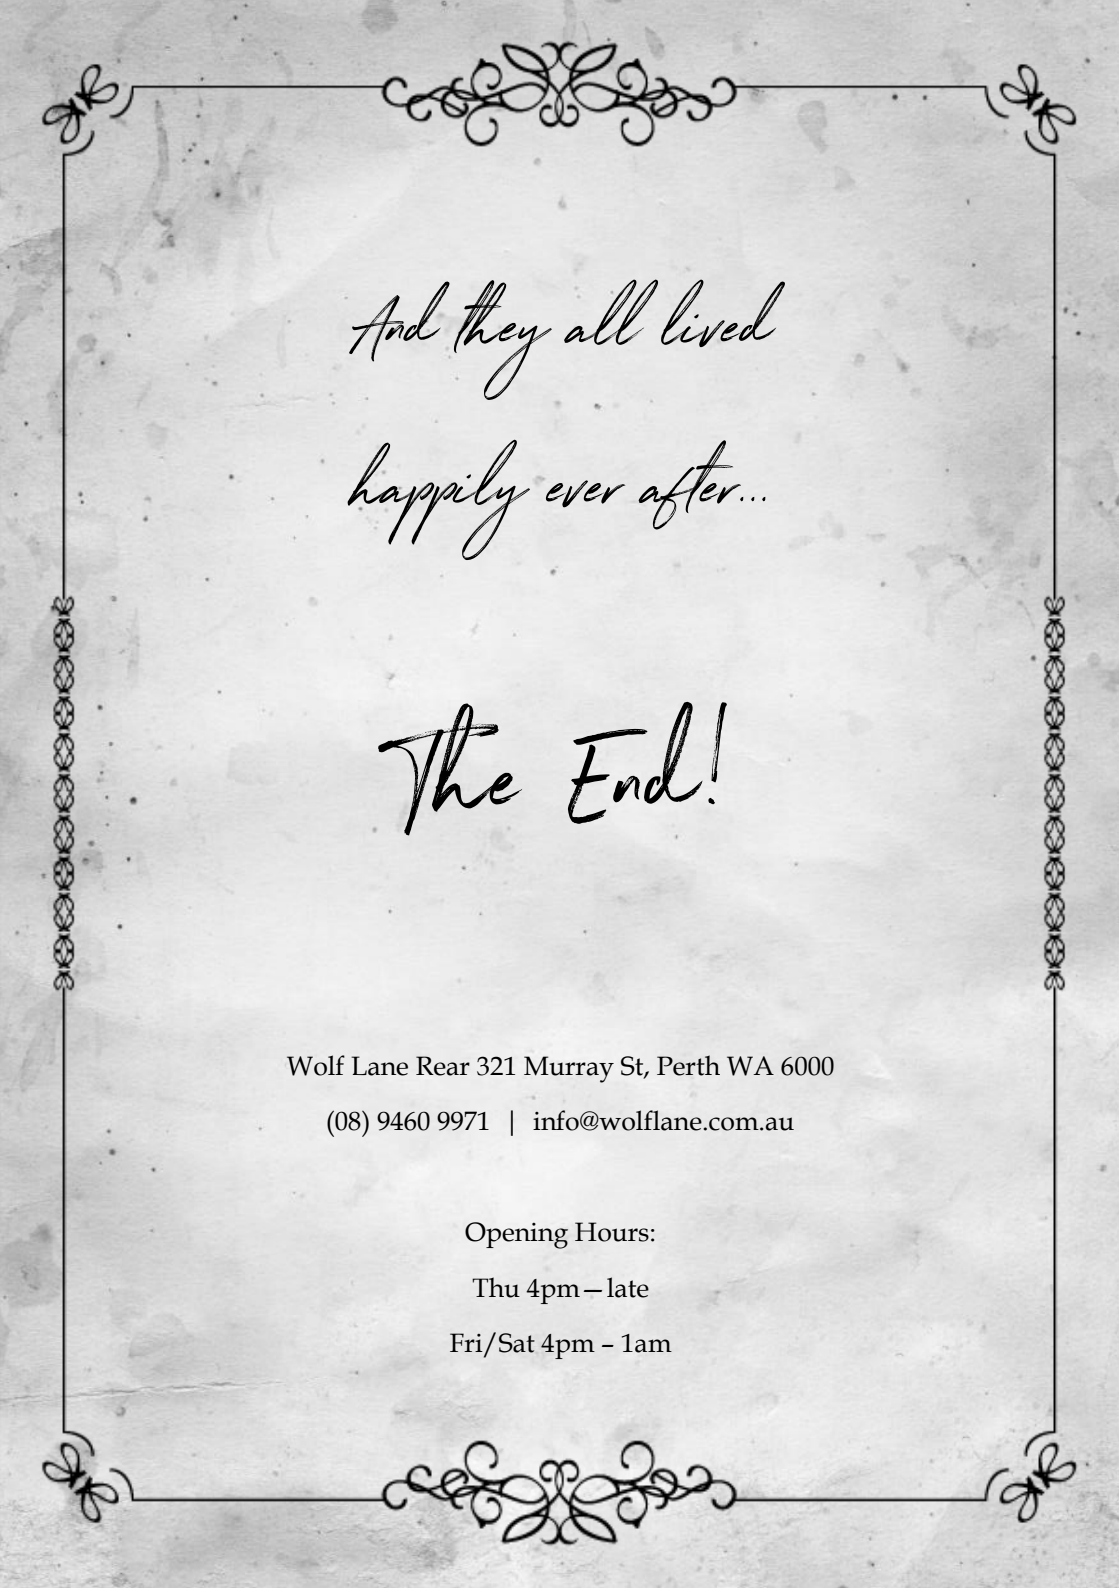

The Mural outside was created by Hurben.

“The City is at the heart of our collective manifestations of power and being apart of the machine means we have to amplify certain traits of ourselves and shy away others, in order to survive.

In this case, the wolf symbolises strength, dominance and loyalty and provides us with warmth, protection and security, allowing us to get on with the task of fulfilling our constructed dreams and goals represented by the lifting up of the patchwork moon.

Meanwhile, mortality encroaches as black shadowy crows, harangue and accost our attempts to rise above the mediocrity and become ourselves within the human race.”

~ HURBEN

*And they all lived
happily ever after...*
